

Introduction to the ethical appraisal framework

Why should I appraise my study? Ethical research should be...	What should I appraise?	How can I appraise my study? Using...	When should I appraise my study? Review all 4 dimensions...
Worthwhile	My research focus	Consequential ethical thinking	<p>When planning your study</p> <p>↓</p> <p>When conducting your study</p> <p>↓</p> <p>When reporting your study</p>
Conducted responsibly	My research approach	Ecological/external ethical thinking	
Conducted respectfully	My research methods	Relational ethical thinking	
Done 'right'	My research obligations	Deontological ethical thinking
